News Flash October 23

Scale Masters Muncie, Indiana:

Heard from Scott this morning (Sunday). All flying was done by Sat evening due to bad weather. No total scores due to rush rush, Scott did not finish in the top ten, he did however get voted Best WWI Airplane of the meet. I don't think he won the B-25 raffle, but what the Hell to have your plane voted best of meet by your peers is GREAT.....He should be back late Wed.
